Why We Exist

SPIN Global is a public benefit corporation that exists to disrupt disasters from neighborhoods to nations. We are motivated by compassion to reduce physical, social and economic suffering caused by disasters.

Our Approach

Strategic Planning. We provide our clients comprehensive expertise, guidance and decision support solutions.

Partnerships. We prioritize inclusion of private and public sectors, and traditionally underrepresented groups.

Innovation for Impact. We combine operations, research and technology with science, data and “last mile” user needs.

Neighborhoods and Nations. Our solutions are sensitized to reflect the operating environment at any scale.

Featured Capabilities

- I**nstitutional capacity building and regional security cooperation
- S**trategic consulting and program management services
- R**apid response and recovery support
- U**niversal risk reduction, resilience and emergency management services
- P**re-disaster planning for all-hazards and incident types
- T**raining and exercises to prepare neighborhoods and nations

What Makes Us Different

We are compassionate people working together for a higher purpose, seeking to create value for clients and humanity with a spirit of excellence. As a public benefit corporation, we are committed to stewardship of people, planet and profit. Every time that we are hired, we donate cash to local charities and provide pro-bono services to improve individual and community resilience and readiness in our clients’ back yard.
